

SA TOURISM FREE WI-FI NETWORK

60 HOTSPOTS

The South Australian Tourism Commission (SATC), in partnership with Telstra, will be rolling out free connectivity at some of South Australia's most iconic and remote locations through Telstra Air - Australia's largest Wi-Fi network.

The SA Tourism Free Wi-Fi Network will enable visitors to connect when in range to the nearest hotspot with access to unlimited data for one hour per day using their smart phone, mobile device or laptop.

Visitors will be able to connect to the free Wi-Fi in the following locations:
