RETAILER ENERGY PRODUCTIVITY SCHEME

*Annual Targets for 2026, 2027, 2028, 2029 and 2030*

Pursuant to Regulations 24 and 25(2) of the *Electricity (General) Regulations 2012* under the *Electricity Act 1996*, and Regulations 18 and 19(2) of the *Gas Regulations 2012* under the *Gas Act 1997*, I set the following for the purposes of Part 4 of the *Electricity (General) Regulations 2012* and Part 4 of the *Gas Regulations 2012*:

- annual energy productivity targets
- the amount of each annual productivity target that is to be achieved by the provision of energy productivity activities to priority group households

The targets (normalised gigajoules) are set for 2026, 2027, 2028, 2029 and 2030 as follows:

	Annual energy productivity targets	The amount of each annual productivity target that is to be achieved by the provision of energy productivity activities to priority group households
2026	1,650,000	750,000
2027	1,650,000	750,000
2028	1,650,000	750,000

*Apportioning of Targets*

Pursuant to Regulation 24(3) and Regulation 25(4)(a) of the *Electricity (General) Regulations 2012* under the *Electricity Act 1996*, and Regulation 18(3) and Regulation 19(4)(a) of the *Gas Regulations 2012* under the *Gas Act 1997*, I revoke the Ministerial Notice—Apportioning of Targets in the *South Australian Government Gazette* No. 18 dated 25 March 2021 on pages 1054-1055.

Pursuant to Regulation 24(3) of the *Electricity (General) Regulations 2012* under the *Electricity Act 1996*, I require that the annual energy productivity target (EPT) for a calendar year for a relevant electricity retailer is to be calculated using the following formula:

$$A \times (B \times N_e) \div ((C \times N_e) + (D \times N_g))$$

Where:

*A* is the annual energy productivity target for the calendar year set under Regulation 24(1) of the *Electricity (General) Regulations 2012*. This value is expressed in gigajoules of energy.

*B* is the relevant electricity retailer's net electricity purchases for retailing to customers within South Australia, for the preceding financial year, excluding designated electricity purchases. This value is expressed in gigajoules of energy purchased.

*C* is the sum of the net electricity purchases made by each relevant electricity retailer for retailing to customers within South Australia, for the preceding financial year, excluding designated electricity purchases. This value is expressed in gigajoules of energy purchased.

*D* is the sum of the net gas purchases made by each relevant gas retailer for retailing to customers within South Australia, for the preceding financial year, excluding designated gas purchases. This value is expressed in gigajoules of energy purchased.

*N<sub>e</sub>* is the REPS electricity normalisation factor and has a value of 1.00.

*N<sub>g</sub>* is the REPS gas normalisation factor and has a value of 0.4.

*Relevant electricity retailer* has the same meaning as in Regulation 23 of the *Electricity (General) Regulations 2012*.

*Designated electricity purchase* has the same meaning as in Regulation 22(4) of the *Electricity (General) Regulations 2012*.

*Relevant gas retailer* has the same meaning as in Regulation 17 of the *Gas Regulations 2012*.

*Designated gas purchase* has the same meaning as in Regulation 16(4) of the *Gas Regulations 2012*.

Pursuant to Regulation 18(3) of the *Gas Regulations 2012* under the *Gas Act 1997*, I require that the annual energy productivity target (EPT) for a calendar year for a relevant gas retailer is to be calculated using the following formula:

$$A \times (B \times N_g) \div ((C \times N_e) + (D \times N_g))$$

Where:

*A* is the annual energy productivity target for the calendar year set under Regulation 18(1) of the *Gas Regulations 2012*. This value is expressed in gigajoules of energy.

*B* is the relevant gas retailer's net gas purchases for retailing to customers within South Australia, for the preceding financial year, excluding designated gas purchases. This value is expressed in gigajoules of energy purchased.

*C* is the sum of the net electricity purchases made by each relevant electricity retailer for retailing to customers within South Australia, for the preceding financial year, excluding designated electricity purchases. This value is expressed in gigajoules of energy purchased.

*D* is the sum of the net gas purchases made by each relevant gas retailer for retailing to customers within South Australia, for the preceding financial year, excluding designated gas purchases. This value is expressed in gigajoules of energy purchased.

*N<sub>e</sub>* is the REPS electricity normalisation factor and has a value of 1.00.

*N<sub>g</sub>* is the REPS gas normalisation factor and has a value of 0.4.

*Relevant gas retailer* has the same meaning as in Regulation 17 of the *Gas Regulations 2012*.

*Designated gas purchase* has the same meaning as in Regulation 16(4) of the *Gas Regulations 2012*.

*Relevant electricity retailer* has the same meaning as in Regulation 23 of the *Electricity (General) Regulations 2012*.

*Designated electricity purchase* has the same meaning as in Regulation 22(4) of the *Electricity (General) Regulations 2012*.

Pursuant to Regulation 25(4)(a) of the *Electricity (General) Regulations 2012* under the *Electricity Act 1996*, I require that the priority group energy productivity target (PGEPT) for a calendar year for a relevant electricity retailer is to be calculated according to the following principles:

- Each relevant retailer's PGEPT will comprise a portion of the retailer's energy productivity target.
- Each relevant retailer's PGEPT will reflect that retailer's net electricity purchases for retailing to customers within South Australia.
- The total of all relevant retailers' PGEPTs will sum to the overall PGEPT set for that calendar year.

Pursuant to Regulation 19(4)(a) of the *Gas Regulations 2012* under the *Gas Act 1997*, I require that the priority group energy productivity target (PGEPT) for a calendar year for a relevant gas retailer is to be calculated according to the following principles:

- Each relevant retailer's PGEPT will comprise a portion of the retailer's energy productivity target.
- Each relevant retailer's PGEPT will reflect that retailer's net gas purchases for retailing to customers within South Australia.
- The total of all relevant retailer's PGEPTs will sum to the overall PGEPT set for that calendar year.

*Designated Purchases*

Pursuant to Regulation 22(4) of the *Electricity (General) Regulations 2012* under the *Electricity Act 1996*, I designate the following electricity purchases:

- purchases of 1,000MWh or more of electricity for on-selling and subsequent use in South Australia through an individual contract for sale.

Pursuant to Regulation 16(4) of the *Gas Regulations 2012* under the *Gas Act 1997*, I designate the following gas purchases:

FISHERIES MANAGEMENT (SARDINE FISHERY) REGULATIONS 2021

REGULATION 12

*Variation of Determination*

The Determination made for the purposes of Regulation 12, dated 25 September 2025 is hereby varied as of 19 December 2025.

For the purpose of Regulation 12 relating to catch and disposal requirements in the Sardine Fishery, commencing 19 December 2025, I make the following determinations:

**Regulation 12—Catch and disposal requirements—12(1)(a) record information and 12(1)(c) (arrangements for fish)**

The holder of the licence or registered master must—

- (1) Complete and submit an electronic ‘Sardine-Start Report’ prior to departing port.
- (2) Complete and submit an electronic ‘Sardine—Change Zone’ report via the Commercial Fishing SA app before the registered boat leaves the Zone originally reported, where:
  - (a) A ‘Sardine-Start Report’ has been submitted declaring that fishing will occur in a Zone; and
  - (b) No fish are taken from that Zone; and
  - (c) The licence holder or registered master intends to take fish from another Zone.
- (3) Immediately after the sardines are unloaded from the registered boat, complete and submit Part A of electronic report ‘Sardine—CDR’ record in respect of the sardines.
- (4) If the sardines are to be loaded onto a boat specified in the certificate of registration of a registered fish processor, he or she must ensure that the Part A electronic report ‘Sardine—CDR’ record is completed and submitted in respect of the sardines consigned to the registered fish processor or an agent of the registered fish processor when the sardines are loaded onto that boat.
- (5) If the sardines are to be transported to the registered premises of a registered fish processor, he or she must ensure that the Part A electronic report ‘Sardine—CDR’ record is completed and submitted in respect of the sardines that are transported to the registered premises.

- (6) If the sardines are to be transported to the registered premises of a registered fish processor by 2 or more vehicles or are to be unloaded to a boat or boats specified in the certificate of registration of a registered fish processor, he or she must ensure that Part A of electronic report 'Sardine—Transit Form' record is completed and submitted in respect of each other vehicle or boat that is to be used to transport the sardines.
- (7) Ensure that sardines to be delivered or consigned to a registered fish processor are:
- Transported to the fish processor in bins or containers of a kind consistent with those listed in Schedule 1 of this Determination; and
  - The quantity of fish being transported do not exceed the specified fill line of the bin or container when level in the bin or container.

**Regulation 12(1)(b) (provide information)**

- (1) The holder of the licence or registered master must report to the Department, by the Commercial Fishing SA Application, at least 1 hour before the sardines are to be unloaded from the registered boat to be delivered to the registered premises of a fish processor other than a boat; or at least 2 hours before the sardines are to be unloaded from the registered boat to be loaded on to a boat registered as the premises of a fish processor:
- the name of the person making the telephone call or report; and
  - the number of the licence under which the sardines were taken; and
  - the name of the registered boat from which the sardines were taken; and
  - the name of the registered master of the registered boat; and
  - the location at which the sardines are to be unloaded from the registered boat; and
  - the estimated time of arrival of the registered boat at that location; and
  - the estimated total weight in tonnes of the sardines taken; and
  - the name of the registered fish processor to whom the sardines are to be consigned; and
  - whether the sardines are to be delivered to the registered premises of the registered fish processor or to be loaded onto a boat specified in the certificate of registration of the registered fish processor; and
  - the estimated time at which the sardines are to be unloaded from the registered boat; and
  - the trip ID;
  - any threatened, endangered or protected species mortality events; and
  - any threatened, endangered or protected species entanglement or injury events; and
  - the number of net shots made.
- (3) The holder of the licence in respect of the fishery or registered master under such a licence, must immediately notify the Department of any change to information already submitted to the Department by telephone on 1800 065 522 or by the Commercial Fishing SA Application before the sardines are unloaded from the registered boat.

**Regulation 12(3) (keeping of records)**

- (1) Where an electronic report has been submitted to the Department no further record need be kept for the purposes of this determination.

For the purposes of this determination—

**Electronic report**—means an entry received in the eCatch electronic database created and administered by the Department. Submission of the electronic report may be directly entered into the eCatch electronic database via the myPIRSA portal ([www.pir.sa.gov.au/ecatch](http://www.pir.sa.gov.au/ecatch)); via the Commercial Fishing SA App; or other third party application. If entered by a third party application the Licence Holder, Registered Master or Nominated Agent must ensure the report has been received by the eCatch electronic database.

**Department**—means the Department of Primary Industries and Regions South Australia.

## GAMBLING ADMINISTRATION ACT 2019

## SECTION 15

*Authorised Betting Operations Gambling Code of Practice Variation Notice 2025 (No.1)***Part 1—Preliminary****1. Short title**

This notice may be cited as the *Authorised Betting Operations Gambling Code of Practice Variation Notice 2025 (No.1)* (**Variation Notice**).

**2. Commencement**

This Variation Notice comes into operation on 1 January 2026.

**3. Variation of existing codes of practice**

This notice varies the *Authorised Betting Operations Gambling Code of Practice* published in the Gazette on 28 September 2023 as varied by a notice published in the Gazette on 28 November 2024 and is made by the Liquor and Gambling Commissioner under Section 15 of the *Gambling Administration Act 2019*.

**4. Variation provisions**

In this notice, a provision under a heading referring to a variation of a specified clause of the Authorised Betting Operations Gambling Code of Practice made under the *Gambling Administration Act 2019* varies the clause so specified.

**Part 2—Variation of Authorised Betting Operations Gambling Code of Practice****5. Variation of Clause 4—Interpretation****(1) Clause 4—Interpretation:**

Delete the definition of ‘condensed warning message’ and substitute:

**condensed warning message** means the relevant message for the period listed in Schedule 1.

Delete the definition of ‘expanded warning message’ and substitute:

**expanded warning message** means the relevant message for the period listed in Schedule 1 immediately followed by the following text ‘*For free and confidential support call 1800 858 858 or visit [gamblinghelponline.org.au](https://gamblinghelponline.org.au)*’.

Delete the definition of ‘social media platform’ and substitute:

**social media platforms** means, but is not limited to, Instagram videos, reels stories, TikTok videos, YouTube videos, X posts.

**6. Variation of Clause 12—Mandatory warning messages—Venue-based gambling operations****(1) Clause 12—delete and substitute:****11. Mandatory warning messages**

(1) Expanded warning messages must be included in gambling advertising by a venue-based gambling provider unless the inclusion of the expanded warning message in that particular advertising would be unreasonable or impracticable.

(2) If gambling advertising does not include an expanded warning message as required by sub-clause (1), the gambling advertising must include the condensed warning message.

- (3) Despite clause (12)(2), gambling advertising by a venue-based gambling provider may include the text '*For free and confidential support call 1800 858 858 or visit gamblinghelponline.org.au*' only where inclusion of the condensed warning message is unreasonable or impracticable.
- (4) When a mandatory warning message is included in gambling advertising by a venue-based gambling provider, the manner of its inclusion must be consistent with the message being a warning message.
- (5) Social media advertising by a venue-based gambling provider which is posting of 160 characters or less must be concluded with the condensed warning message.
- (6) Social media advertising by a venue-based gambling provider which is a posting of more than 160 characters must be concluded with the condensed warning message and the following text '*Gambling Helpline 1800 858 858*'.
- (7) A venue-based gambling provider may use the applicable tagline and call-to-action as required by clauses 16, 17, 18, 19, 20, 21, 22 or 25 (depending on the medium that the gambling advertising is displayed) instead of the mandatory warning messages as required by sub-clause (1) or (2).

**7. Variation of Clause 14—Advertising on radio and television—Venue-based gambling operations**

- (1) Clauses 14(2)—delete subclause and substitute:

14. Advertising on radio and television—Venue-based gambling operations

- (2) Despite clause 12 gambling advertising by a venue-based gambling provider on television that is longer than 15 seconds, must be accompanied by the expanded warning message and in the case of a plug or commentary, must end with the condensed warning message and the national Gambling Helpline number 1800 858 858.

**8. Variation of Clause 15—Additional requirements for print media, outdoor and other forms of advertising—Venue-based gambling operations**

- (1) Clause 15(1)—delete subclause and substitute:

15. Additional requirements for print media, outdoors and other forms of advertising—Venue-based gambling operations

- (1) If the condensed warning message is used in advertising by a venue-based gambling provider to which this clause applies, it must be accompanied by the following text '*Gambling Helpline 1800 858 858*'.

**9. Variation of Clause 28—Customer information and signage in gambling areas**

- (1) Clause 28—delete and substitute:

28. Customer information and signage in gambling areas

- (1) The gambling provider (other than an interactive wagering service provider) must—

- (a) ensure the prominent display of the following text '*For free and confidential support call 1800 858 858 or visit gamblinghelponline.org.au*' on or near each point of sale of its gambling product and on any electronic display in a gambling area which is used for displaying venue generated messages in the nature of internal advertising;
- (b) in each gambling area display prominently a message indicating that gambling operations are governed by a code of practice and ensure that a copy of this code is made available on request;
- (c) ensure that a quantity of Gambling Helpline cards are available on or near each ATM and other places throughout gambling areas; and
- (d) ensure that the time of day is prominently displayed and visible throughout gambling areas.

- (2) The gambling provider must—

- (a) prominently display and renew responsible gambling materials (including a poster and pamphlet) in gambling areas in a form which includes the expanded warning message, or if it is not reasonable or practicable to include the expanded warning message, the following text '*For free and confidential support call 1800 858 858 or visit gamblinghelponline.org.au*'; and
- (b) make available its responsible gambling poster written in English, Arabic, Chinese, Greek, Italian, Vietnamese, and any other relevant language.

- (3) If a gaming machine or casino licensee is also the agent of SA TAB and has placed additional responsible gambling signage and a multi-lingual sign in areas which are gambling areas for the purposes of SA TAB, SA TAB is deemed to have complied with the requirements of sub-clauses (1) and (2).

**10. Variation of Clause 29—Self service terminals**

- (1) Clause 29(1)(c)(iv)—delete subclause and substitute:

29. Self service terminals

- (1)  
(c)

- (iv) The device must display the relevant expanded warning message alternating with the condensed warning message and the national Gambling Helpline number 1800 858 858, at the bottom of the screen at all times, at no more than 10-minute intervals; and

**Overarching Conditions**

- All aspects of the *Rural and Remote Mental Health Procedure Mental State Examination, Risk Assessment, Observations and Management in General Health Settings (2023)*, as endorsed by the Yorke Northern Local Health Networks Clinical Effectiveness Committee on 4<sup>th</sup> September 2023 must be complied with in the operation and management of Ward A.
- A report must be provided each month to the Office of the Chief Psychiatrist which documents compliance in Ward A with this policy.
- Security staff used to observe or monitor patients in Ward A must receive training in operating within a healthcare setting, de-escalating people in distress, and any necessary skills required to support a "Code Black" response.
- Any instance where untrained security staff are used to observe or monitor patients in Ward A must be reported to the Office of the Chief Psychiatrist within (2) days and this use must be by exception.

**Conditions on the Admission of Voluntary Patients**

A voluntary patient must not be admitted to Ward A unless:

- The Port Pirie Director of Nursing and Midwifery or their Delegate has approved the admission on the basis that there is the capability to provide necessary care for the patient's clinical needs at that time in Ward A, and that for the expected duration of admission the *Rural and Remote Mental Health Procedure Mental State Examination, Risk Assessment, Observations and Management in General Health Settings (2023)* can be complied with.
- In making this decision, consideration should be given by the Port Pirie Director of Nursing and Midwifery or their Delegate to the limitations of Ward A's physical environment in meeting the clinical needs of the patient.

**Conditions on the Admission of Patients Under the *Mental Health Act 2009*, Section 56 (Care and Control)**

A patient who in respect of whom a patient assistance request or a patient transport request has been issued, including patients to whom a Level 1 Inpatient Treatment Order applies, who is awaiting transport to an Approved Treatment Centre, must not be admitted to Ward A unless:

- The Port Pirie Director of Nursing and Midwifery or their Delegate has approved admission under the same conditions that apply to the care of voluntary patients (as outlined above), and
- An authorised officer has the person into their care and control, and
- The name of the authorised officer on site and able to attend to review the patient in Ward A is recorded in the clinical record, with a handover and update between authorised officers occurring at each change of shift.

Note: Ward A is a general ward with two rooms designated for mental health care. Patients to whom an Inpatient Treatment Order applies must not be admitted to Ward A, except in the circumstances above where the patient has an Inpatient Treatment Order made to another Approved Treatment Centre and is awaiting transport as soon as practicable.

## MENTAL HEALTH ACT 2009

*Extension of Temporary Conditions*

Notice is hereby given that the Chief Psychiatrist pursuant to Section 96 of the *Mental Health Act 2009* ('the Act') has varied the determination published in the Government Gazette on 11 January 2024 that The Queen Elizabeth Hospital, 28 Woodville Road, Woodville, South Australia, 5011 is an Approved Treatment Centre subject to temporary conditions by extending the conditions attached to the determination dated 11 January 2024 until 24 June 2026.

These conditions are:

Cramond Ward, Queen Elizabeth Hospital may continue to admit voluntary mental health patients and patients subject to Inpatient Treatment Orders with the following conditions:

- Admission to dual occupancy rooms will be subject to an additional bed allocation procedure that considers the recognised limitations of dual occupancy rooms in acute inpatient mental health care. The procedure will describe clinical and other criteria for allocation of dual occupancy rooms, and how these criteria will be monitored.
- A report will be provided on a 6 monthly basis on the operation of dual occupancy rooms.

Admissions to single occupancy rooms can proceed without condition using standard clinical procedures.

In issuing this notice the Chief Psychiatrist notes the intent to phase out dual occupancy rooms at Cramond Ward.
