## ECONOMIC BENEFITS

How does the project drive economic activity that would not otherwise occur? \*

**Text:** 2000 characters limit

*You may wish to explain how the project generates new investment, creates new long-term jobs, fills a gap identified in the South Australian Regional Visitor Strategy and how the new economic activity will be measured. Outline how this project delivers something different from your existing business, how it adds value and if the project forms part of your forward plan (i.e. would the grant accelerate a project that you will undertake anyway?).*

Is the TIDF grant amount being sought over \$50,000? \*

**Drop down list (2 options)**

- Yes
- No

*If yes, 'Can you provide details of economic modelling for your project? See guidelines for further details.'*

**Text:** 1000 character limit  
AND optional (1) attachment

*If no, continue to next question.*

Does the project have a connection to a specific regional community? \*

**Text:** 2000 characters limit

*You may wish to explain what direct benefits flow to the community / region where the project would be located (i.e. commitment to local employment/suppliers/services, knowledge sharing, training opportunities, etc.)*

Does the project build the resilience of the local economy to deal with crises and take advantage of emerging opportunities?

**Drop down list (2 options)**

- Yes
- No

*If so, please provide details about how it will diversify the region's economy, drive change or innovation, and/or allow new economic opportunities.*

*If yes, **Text:** 1000 character limit*

## JOB OUTCOMES

What are the ongoing job outcomes? \*

**Text:** 500 characters limit

*Demonstrate any commitment to local employment.*

Number of construction jobs. \*
