Flinders Chase National

The bushfire-affected environment at Flinders Chase National Park and Ravine des Casoars Wilderness Protection Area will re open to the public on July 4 2020. While significantly affected by bushfires in December 2020, the great news is that green shoots are emerging from vegetation in the park and there are native animal sightings like goannas, eagles, kangaroos and KI echidnas. You will see this regeneration though right across the affected areas of the Island. The bush is bouncing back quickly and the good winter rains have really helped, some plants are growing a few centimetres a day! A visit to the National Park to see Admirals Arch and Remarkable Rocks is a must do experience.

浴火重生中的袋鼠岛正在慢慢生态恢复， Flinders Chase国家公园重要景点神奇岩石，旗舰拱门，灯塔等已于2020年7月4日对旅游运营商和自驾客人开放，感受山火和自然绿色希望的特别回忆，详情请咨询袋鼠岛各大旅游运营商和国家公园官网。欢迎拜访袋鼠岛，帮助当地旅游的恢复生态重建。
