FISHERIES MANAGEMENT ACT 2007

SECTION 115

Ministerial Exemption: ME9903386

Take notice that pursuant to Section 115 of the *Fisheries Management Act 2007* (the Act), Dr Scotte Wedderburn of the School of Biological Sciences, University of Adelaide SA 5005 (the 'exemption holder') or his nominated agent, are exempt from Sections 70 and 71(2) of the *Fisheries Management Act 2007*, and Regulation 5, Clauses 42 and 74 of Schedule 6 of the *Fisheries Management (General) Regulations 2017* but only insofar as he may use the fishing gear specified in Schedule 1 (the exempted activity), in the waters specified in Schedule 2, subject to the conditions specified in Schedule 3, from 7 October 2025 to 6 October 2026, unless varied or revoked earlier.

SCHEDULE 1

Up to 12 fyke nets that each have a single 6m wing, 5mm half mesh, 600mm front hoop.

SCHEDULE 2

The wetland habitats associated with Lake Albert and Lake Alexandrina, South Australia.

SCHEDULE 3

1. The exemption holder will be deemed responsible for the conduct of all persons conducting the exempted activities under this notice. Any person conducting activities under this exemption must be provided with a copy of this notice, which they must have signed as an indication that they have read and understand the conditions under it.
2. The nominated agent of the exemption holder is the following:
 - Colin Bailey, University of Adelaide.
3. Subject to requirements for noxious fish under this exemption notice, the exemption holder and nominated agent may only catch fish for the purpose of identification and recording and thereafter they must be immediately returned to the water in the location where they were caught.
4. Noxious fish captured during the exempted activity may not be returned to the water and must be humanely destroyed.
5. A maximum of three (3) fyke nets may be set at any one site at a time and the nets set must be retrieved from the water no later than the following morning.
6. Fyke nets must be deployed with at least two floats in the cod end (final chamber) to permit surface access for air-breathing by-catch.
7. A two-litre white buoy tagged with the Ministerial Exemption number and the name of the exemption holder must be attached to the outer wing of the fyke net.
8. Any equipment used to collect fish during the exempted activity must be decontaminated prior to and after undertaking the research activities.

9. At least 1 hour before conducting activities under this exemption, the exemption holder or nominated agent must contact the Department of Primary Industries and Regions (PIRSA) Fishwatch on 1800 065 522 and answer a series of questions about the exempted activity. The caller will need to have a copy of this notice in their possession at the time of making the call and be able to provide information about the area and time of the exempted activity, the vehicles and/or boats involved, the number of persons assisting with undertaking the exempted activity and other related questions.
10. The exemption holder must provide a report in writing detailing the activities carried out pursuant to this notice to the Executive Director, Fisheries and Aquaculture (GPO Box 1625, Adelaide SA 5001) within 30 days of the expiry of this exemption that includes the following details:
 - the date and location of sampling;
 - the gear used;
 - the number and description of all species collected;
 - any interactions with protected species and marine mammals; and
 - other information regarding, size, breeding or anything deemed relevant or of interest that is able to be volunteered.
11. While engaging in the exempted activity, the exemption holder and nominated agent must be in possession of a copy of this exemption which must be produced to a PIRSA Fisheries Officer if requested.
12. The exemption holder and nominated agent must not contravene or fail to comply with the *Fisheries Management Act 2007* or any Regulations made under that Act, except where specifically exempted by this notice.

This notice does not purport to override the provisions or operation of any other Act including, but not limited to, the *River Murray Act 2003*. The exemption holder and his nominated agent must comply with any relevant regulations, permits, requirements and directions from the Department for Environment and Water when undertaking activities within a marine park, national park or specially protected area.
