

FARM TOURS & DEMONSTRATIONS

Potential Approvals Required for Agritourism Businesses offering Farm Tours and Demonstrations (on land) in South Australia

Prior to seeking Development Approval, businesses may need to undergo these approvals in the first instance.

Aboriginal Heritage Assessment

EPA Assessment

Landowner Consent (Crown or Council Land)

Pastoral Board Approval

DEVELOPMENT APPROVAL PROCESS

1

PLANNING CONSENT

If Development Approval (DA) is required, the process will likely involve **Planning Consent and Wastewater Works Approvals**, which happen concurrently and may involve any of the below.

Full scale set of plans by designer or architect

Details of business operation

Bushfire Management Plan

Site and soil report - wastewater engineer

Details and location of signage

Traffic Impact Assessment

Acoustic Report

Site layout showing all elements of proposed system

Access, car parking and emergency arrangements

Native Vegetation Clearance Report

Building layout and underfloor plumbing plan

Statutory Referrals

Public Notification of DA

**The Planning Consent assessors may determine that your project requires further approvals from statutory authorities and/or the public. If this occurs, Planning Consent will not be granted until this process is finalised.*

WASTEWATER WORKS APPROVAL

OTHER OPERATIONAL CONSENTS / PERMITS

Likely licences, permits, and registrations

Business Registration
ABN, TFN, GST

Food Business
Notification

Special Purpose
Vehicle Registrations

Commercial Tour
Operator Licence

Food Safety
Management

May be required

Liquor Licence

Approval of
Responsible Person

Music Licence

*Likely ongoing operational compliance requirements.
Applies once people are employed in the business.*

Workers
Compensation

National
Employment
Standards

Employment
Awards

WHS Compliance

2

BUILDING CONSENT

Are you building something?
If so, you will likely require **Building Consent** which can involve any of the items below.

Location of essential
safety provisions

Energy efficiency
provisions

Certificate of occupancy

Bushfire construction of
buildings to AS3959

Structural design
by engineer

Access and Egress
to and within
the building

3

DEVELOPMENT APPROVAL

KEY FOR PLANNING CONSENT, WASTEWATER WORKS ITEMS & BUILDING CONSENT

- Documentation for new/ changes to building
- Likely documentation requirement
- May be required but unlikely
