Department of the Premier and Cabinet  
Adelaide, 22 January 2026

**HER EXCELLENCY THE HONOURABLE FRANCES JENNIFER ADAMSON**, Companion of the Order of Australia, Governor in and over the State of South Australia:

**TO**  
**THE HONOURABLE VIRGINIA BELL AC**

**Greeting:**

ACKNOWLEDGING the antisemitic terrorist attack on Jewish Australians that took place at Bondi Beach on 14 December 2025, and which resulted in the loss of 15 lives and the wounding of a further 40 individuals.

AND the determination of the Australian Government to respond to the attack, and the factors leading up to the attack, as a matter of urgency by addressing antisemitism within the Australian community, including since 7 October 2023.

AND that the Australian Government has adopted the International Holocaust Remembrance Alliance's working definition of antisemitism.

AND recognising that strengthening the national consensus in support of democracy, freedom and the rule of law (social cohesion) provides the strongest defence against antisemitism and other forms of religious and ideologically motivated extremism.

AND that hearing from the Jewish Australian community will be important to informing the recommendations of your inquiry and recognising concerns relating to educational and cultural institutions, and other sectors of Australian society.

AND the necessity for the inquiry to be conducted in a manner that does not occasion prejudice to current or future criminal proceedings or national security or undermine social cohesion.

NOW THEREFORE I, the Governor, with the advice and consent of the Executive Council and under the *Royal Commissions Act 1917*, DO HEREBY APPOINT YOU to be a Commissioner and require and authorise you to inquire into the following matters:

(a) tackling antisemitism by:

- (i) investigating the nature and prevalence of antisemitism in institutions and society, and examining its key drivers in Australia, including religious and ideologically motivated extremism and radicalisation, including in the lead up to the antisemitic Bondi terrorist attack on 14 December 2025;
- (ii) identifying any opportunities to enhance the responses of governments to antisemitism including, but not limited to, best practice approaches to de-radicalisation and strengthening social cohesion;
- (iii) making recommendations to counteract and prevent manifestations of antisemitism;
- (iv) assessing the impact of antisemitism on the daily life of Jewish Australians including with respect to security, physical and mental health and wellbeing;

(b) making any recommendations to assist law enforcement, border control, immigration and security agencies to tackle antisemitism, including by:

- (i) improvements to guidance and training within law enforcement, border control, immigration, and security agencies to respond to antisemitic conduct;
- (ii) having regard to existing security arrangements for the Jewish community, improvement of protective security for Jewish places of worship, major sites, educational and cultural facilities, public events and community leaders;
- (iii) whether these authorities have sufficient powers and resources to respond to antisemitic conduct;

- (c) examine the circumstances surrounding the antisemitic Bondi terrorist attack on 14 December 2025, including:
  - (i) lead up to and planning of the attack;
  - (ii) the interaction and information sharing between Commonwealth agencies, between Commonwealth and State and Territory agencies, and between relevant Commonwealth and State agencies with the organisers of the Chanukah event at Bondi Beach on 14 December 2025;
  - (iii) security arrangements for the Chanukah event and Bondi Beach on 14 December 2025;
  - (iv) the attack;
  - (v) emergency response to the attack;
  - (vi) whether relevant Commonwealth, State and Territory intelligence and law enforcement agencies performed to maximum effectiveness, including whether they had adequate powers and the right systems, processes and procedures, and whether there was an appropriate authorising environment for information sharing with other Commonwealth, State and Territory agencies;
  - (vii) whether relevant Commonwealth, State and Territory intelligence and law enforcement agencies were prevented from taking prohibitive actions by the current legislative framework and authorising environment;
  - (viii) identifying any gaps in existing legal and regulatory frameworks that impede the ability for law enforcement, border control, immigration and security agencies to prevent and respond to attacks of this nature at both the state and federal levels;
  - (ix) identifying any lessons for security and law enforcement agencies to prevent and respond to similar attacks in the future;
- (d) make any other recommendations arising out of your inquiry into the matters set out in paragraphs (a) to (c) that would contribute to strengthening social cohesion in Australia and countering the spread of ideologically and religiously motivated extremism in Australia;
- (e) any matter reasonably incidental to a matter referred to in paragraphs (a) to (d) or that you believe is reasonably relevant to your inquiry.

AND I direct you to make any recommendations arising out of your inquiry that you consider appropriate, including recommendations about any policy, legislative, administrative or structural reforms.

AND I further declare that you are not required by this Commission to inquire, or to continue to inquire, into a particular matter to the extent that you are satisfied that the matter has been, is being, or will be, sufficiently and appropriately dealt with by another inquiry or investigation or a criminal or civil proceeding.

AND, without limiting the scope of your inquiry or the scope of any recommendations arising out of your inquiry that you may consider appropriate, I direct you, for the purposes of your inquiry and recommendations, to consider the following matters, and I authorise you, as you consider appropriate, having regard to the date by which you are required to submit your final report, to take (or refrain from taking) any action arising out of your consideration:

- (f) the need to establish mechanisms to facilitate the timely communication of information, or the furnishing of evidence, documents or things, in accordance with section 6P of the *Royal Commissions Act 1902* (Cth) or any other relevant law, including, for example, for the purpose of enabling the timely investigation and prosecution of offences;
- (g) the need to establish appropriate arrangements in relation to current and previous inquiries, in Australia and elsewhere, for evidence and information to be shared with you in ways consistent with relevant obligations so that the work of those inquiries, including, with any necessary consents, the testimony of witnesses, can be taken into account by you in a way that avoids unnecessary duplication, improves efficiency and avoids unnecessary trauma to witnesses;
- (h) the need to recognise and appropriately protect any intelligence information or operationally sensitive information obtained by you;
- (i) the need to establish appropriate arrangements with the heads of the relevant Australian intelligence entities for obtaining, storing, accessing, using, disclosing and returning intelligence information relating to an Australian intelligence entity.

## THE REMUNERATION TRIBUNAL

## REPORT NO. 1 OF 2026

*2025 Review of the Salary of the Governor of South Australia***EXECUTIVE SUMMARY**

1. The Remuneration Tribunal (**Tribunal**) has conducted a review of Determination 12 of 2024 which sets the salary payable to Her Excellency the Governor of South Australia (**the Governor**).
2. The Tribunal has determined that from 1 February of each year, the salary of the Governor of South Australia will be increased as necessary to be equal to that of a Puisne Judge of the Supreme Court of South Australia. This will apply from 1 February 2026, based on the Tribunal’s most recent Determination of Judicial Salaries. Increases will not be backdated.
3. The Tribunal has issued a Determination which applies from 1 February 2026 and supersedes Determination 12 of 2024.
4. Of its own motion the Tribunal has reviewed the basis of the remuneration of the Governor. The Tribunal has adopted a simplified approach to assessing the Governor’s remuneration but generates the same amounts as the approach applied since 2021.

**BACKGROUND**

5. Section 14 of the *Remuneration Act 1990 (SA) (Act)* and Section 73 of the *Constitution Act 1934 (SA) (Constitution Act)*, provide that the Tribunal has jurisdiction to determine the salary payable to the Governor.
6. Consistent with Section 8 of the Act, the Tribunal has conducted an annual review of the salary of the Governor.
7. Since 2021 the Tribunal has determined that the Governor of South Australia should be remunerated at a level comparable to that of Governors in other Australian States by adopting the median salary of State Governors excluding the Governor of South Australia (**State Governors**).

**THE REVIEW PROCESS**

8. On 2 December 2025, in accordance with Sections 10(2) and 10(4) of the Act, the Tribunal wrote to and invited submissions by 23 December 2025 in respect of this review:
  - (a) Her Excellency the Governor of South Australia; and
  - (b) The Honourable Premier of South Australia—as the Minister responsible for the Act who may make submissions or introduce evidence in the public interest.
9. The Tribunal also placed a notice on its website from 2 December 2025 inviting submissions from affected persons by 23 December 2025.
10. On 5 December 2025, the Official Secretary to the Governor wrote to the Tribunal advising that the Governor did not intend to make a submission in relation to the Tribunal’s review of the Governor’s salary, leaving the matter to the discretion of the Tribunal.
11. On 18 December 2025, the Premier’s representative confirmed that the Premier did not intend to make a submission.
12. No other submissions were received by the Tribunal in relation to this review.

**CONSIDERATION AND CONCLUSION**

13. Consistent with the remarks made in 2021, the Tribunal maintains its position that the remuneration of the Governor of South Australia should be comparable to that of Governors in other Australian States. This approach recognises the significant importance of this unique role within the State.
14. The Tribunal is committed to regular reviews which avoid sporadic but very substantial remuneration adjustments in the future.
15. However, the Tribunal is mindful that the reliance on the median of the State Governors could cause confusion. The median salary can vary depending on when the review is conducted, as salary adjustments apply from different dates across jurisdictions.
16. The Tribunal maintains a preference for a remuneration framework that ensures appropriate consistency with other State Governors but avoids complexities arising from reliance on decisions made in other jurisdictions and the timing of those decisions. The Tribunal notes that State publication practices for Governors differ in that some salary adjustments are made public, while others require interpretation or inference from related sources.
17. The Tribunal has again considered the current salaries of Governors in other jurisdictions and has had particular regard to the basis upon which those salaries are established. This information is summarised in the Appendix.
18. In most Australian States, the salary of the Governor is directly linked to the remuneration of members of that state’s Supreme Court or has a strong relationship to the remuneration of that state’s judiciary as detailed in the Appendix. Notably:
  - The Victorian Governor receives 100% of the salary of a puisne Judge of the Supreme Court of Victoria.
  - The Tasmanian Governor receives 90% of the salary of the Chief Justice of Tasmania, which is 100% of the salary of a puisne Judge of the Supreme Court of Tasmania. The Chief Justice’s salary is determined by reference to the average of the salaries of the Chief Justices of South Australia and Western Australia.
  - The Western Australian Governor receives salary increases in line with those applied to puisne Judges of the Western Australian Supreme Court in the preceding 12 months, and their current salary will be slightly below that of a puisne Judge in that State when their salaries increase on 1 December 2025.
  - The Queensland Governor receives 100% of the salary of the Chief Justice of Queensland, excluding allowances.

19. Whilst the salary of the Governor-General of Australia has not been used previously in calculating the median salary, the Tribunal nevertheless notes that when the Federal Parliament most recently fixed the Governor General's salary, it was done at a rate which was intended to be approximately equivalent to the salary of the Chief Justice of the High Court of Australia over the Governor-General's time in office.

20. The adoption of an approach that is similar to that used in other States, and also ensures appropriate relativities, but is not dependent on the determined salaries of Governors in those jurisdictions. Links between the Governor's salary and judicial salaries were applied in the past in South Australia in various forms.

21. The approach applied in Victoria and Tasmania, and a lesser extent Western Australia would establish the South Australian Governor's salary in line with the current salary payable to a puisne Judge of the South Australian Supreme Court. This would result in a salary of \$530,080. Coincidentally, if the Tribunal applied the method used in recent years namely setting the Governor's salary in line with the median salary of other State Governors the salary of \$530,080 would apply.

22. Linking the Governor's remuneration to that of a puisne Judge of the South Australian Supreme Court is likely to achieve the same objectives as the approach taken since 2021, as the salary should retain a substantial amount of relativity to the salaries of the State Governors because their salaries are largely linked to the salaries of puisne Judges of their own Supreme Courts. However, the Tribunal reserves the discretion to apply other approaches depending on judicial salary movements across the nation.

23. Accordingly, the Tribunal has determined that the salary of the Governor will be equal to that of a puisne Judge of the Supreme Court of South Australia.

24. The Tribunal has noted that the application of judicial salary movements is generally delayed because of the Federal Parliamentary processes. Accordingly, the Tribunal has decided that the Governor's salary will be increased from 1 February following the relevant increase for judicial officers.

25. To ensure the salary of the Governor retains relativity to the State Governors, the Tribunal will continue to review the remuneration yearly.

26. An accompanying Determination has been issued and will take effect from 1 February 2026.
