ADDING A HIRE TYPE

INDIVIDUAL HIRE TYPES

Individual hire types can be added to your business' hire company listing. Adding a hire type will maximise the information provided to a customer when they view your listing on a distributor's website.

For more information and instructions on how to add a hire type, visit the ATDW Support and Marketing Hub.

CREATING A DEAL / OFFER

THE DEALS / OFFER FUNCTIONALITY

The Deal/Offer functionality in ATDW allows you to further promote your attraction through advertising any special rate, discount, bonus offer or packages for a set period.

A Deal/Offer will appear on southaustralia.com directly under the product description on the primary listing it is attached to and on the dedicated holiday deals and offers webpage on southaustralia.com.

For more information on how to add a Deal/Offer, visit the ATDW Support and Marketing Hub.

GENERAL OPTIMISATION TIPS

OUR TOP TIPS

- We always recommend adding in as many details as you can. The more information included within your listing will increase the compatibility of your information on other distributor websites and optimise the visitor experience.
- Update your listing regularly.

Listings are required to be updated at minimum every 12 months. It's best practice to set a time aside every six months to review your listing and update any information that has recently changed.

• Use the 'Guidance' section.

The ATDW provides a guidance section to assist with the optimisation and compliance of the information in the respective fields. This guidance section can be found on the right of your screen and provides examples of good practice listings.

For more Optimisation Tips and FAO's visit the ATDW Support and Marketing Hub.
