INSTAGRAM STORY

'Using GIFs on Instagram'

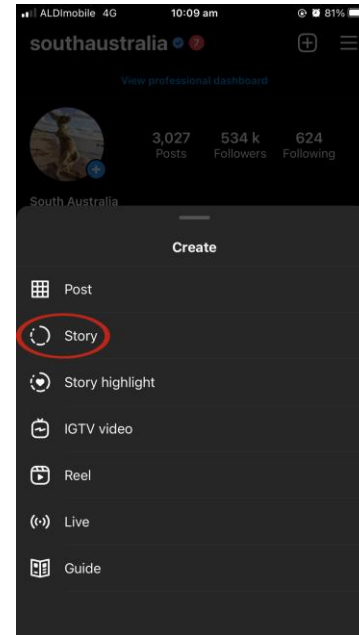

TUTORIAL

Step 1:

Navigate to your profile and click the plus icon that is circled in red

Step 2:

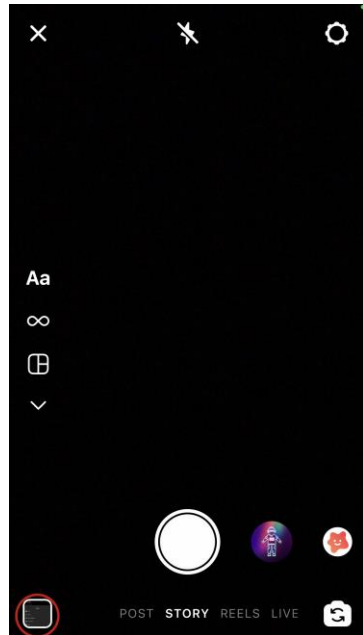

Tap the 'Story' function

Please note this tutorial is for iPhone only. Process may differ slightly across

different models and Android devices.

TUTORIAL

Step 3:

Tap the small square in the bottom right corner to use an image from your Photos app or use the camera to take a new image

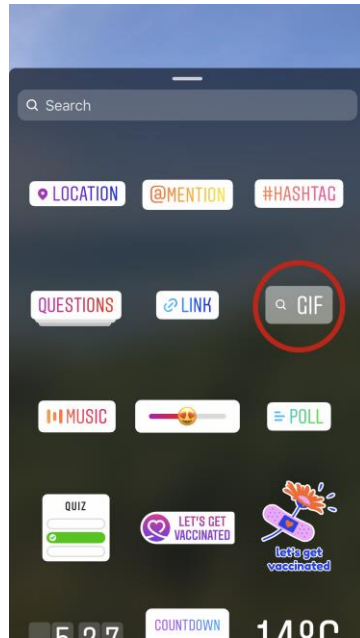

Step 4:

With your new image, tap the 'Stickers' icon along the top bar (smiley face one)

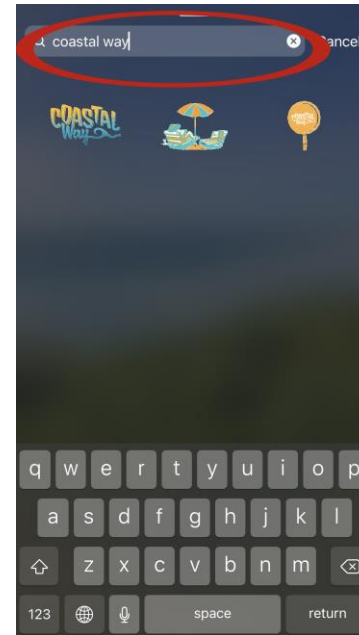

TUTORIAL

Step 5:

Selection the GIF option from the stickers menu

Step 6:

In the search bar at the top, type in the appropriate GIF keyword/s to search for your GIF. Then just tap it to add to your image!
